

Springwood Road State School

Booklist Requirements 2024

Springwood Road State School offers parents the convenience and value of a Student Resource Scheme. Under this scheme, parents pay a levy per child and the school provides the quality learning resources and materials they need to support their learning for the school year.

For parents not wishing to participate in the Student Resource Scheme, the following is a list of resources that will need to be supplied by parents for the start of the school year.
