Profits from the tuckshop go towards improving the school environment. Our tuckshop can only run with the help of greatly appreciated volunteers and without them there would be no lunch service

Please check your calendar to see if you can help even just once a month. If you can help at any time, call **3457 8346** or call in to the tuckshop and let us know – every little bit helps.

Any item or price amendments to the Tuckshop menu will be advertised in the school newsletter – please keep yourself informed by reading when issued.
